In case you aren't familiar with Rainbow House it is a Children's Emergency Shelter, Regional Child Advocacy Center and Transitional Living Program. Rainbow House serves abused and neglected children, as well as families in crisis. The Shelter houses children that are in foster care; and assists parents who need placement for their children during a family crisis. At the Child Advocacy Center, we provide forensic interviewing in a team member atmosphere and provide therapy services to children who have been sexually abused and/or severely physically abused. The Transitional Living Program provides housing—apartments at the Sol House—and services for homeless youth who are interested in making a meaningful and productive transition into adulthood. Rainbow House continues to thrive due to support from the Heart of Missouri United Way, Audrain United Way, City of Columbia, Missouri Foundation for Health, Central Missouri Food Bank, National Children's Alliance, other grants and private donations.
